Bix and the Mud Egg

A Live AI by Genoch story

Mud and Sun

Bix sat in the mud and let out a big snort.

Dot Runs Fast

"My egg! My egg!" said Dot, and she ran up fast.

Bix felt his big ears flop as he got up to help.

Gus and Nell Help

Gus sniffed left and sniffed right. Nell stretched her big neck up to look.

Look and Look

They did not find it. Dot let out a sad, soft cluck.

In the Mud!

Bix let out a big yell. "The egg! It is in the mud!"

All in the Mud

Splat! In they went, and Dot and her egg got mud on them, too.
